

## Water & WasteWater Products

- [Automation Electric \(SCADA Systems Integration - Turn-Key & Retrofit\)](#)
- [Data Loggers - Off-The-Shelf, Customized, Wireless, High Speed, Real-Time Capture, etc...](#)
- [Hand-held Calibrators, Rotating Equipment Monitoring, Controllers, Recorders, Systems, etc...](#)
  - [INTERFACE \(Load Cells & Instruments for Tank Weighing / Level monitoring\)](#)
- [JOWA / Consilium Liquid Level Gauging \(Metri-Tape, AquaTape, PetroTape, & ChemTape\)](#)
  - [Magnetrol \(Switches, Sensors, & Transmitters for Level, Flow\)](#)
- [Precision Digital \(Digital Displays, Panel Meters, Controllers, Annunciators\)](#)
- [PRESSURE TRANSDUCERS \(Precision Industrial & Submersible Pressure Transducers\)](#)
  - [Temperature sensors, transmitters, controllers, etc...](#)

<p>Electric Design, Automation &amp; SCADA Systems  <b>Automation Electric</b></p>	<p>PetroTape    AquaTape    ChemTape</p>	<p><b>Mag Meter POLARIS Model MA1</b>      Electromagnetic Flow Meter      4-20 mA, Pulse, &amp; Alarm Outputs      HART &amp; PactWare      Flanged or Wafer      Forward or Reverse Flow      Integral or Remote Electronics</p>	<p>Submersible Transducers</p> <p>Model 512 Industrial OEM gauge and compound pressure for corrosive media, IP65 and IP68 rated      Model 524 OEM silicone, immersible to 200m, gauge pressure for liquid level, IP68 rated      Model 526 OEM submersible, gauge, absolute and compound pressure, IP30, IP65 and IP68 rated      Model 528 OEM high temp, submersible, absolute, gauge and compound, IP40, IP65, IP68, IP68 rated</p>
<p><b>APG</b>      Automation Products Group, Inc</p>	<p><b>Model R82</b>      Pulse Burst Radar Transmitter</p>	<p><b>Aurora®</b>      Magnetic Level Indicator</p>	<p><b>Trident</b>      Digital Displays</p>
<p><b>Magnetrol®</b>      Level &amp; Flow Experts</p>	<p>Loop Diagnostic      *Patent Pending*</p> <p>LOOP POWER MEASURE DIAG      CURRENT = 20.00 mA      VOLTAGE = 24.2 V      RESISTANCE = 01210 Ω      GND FAULT ERROR = 00.16 mA      AC V = 0.0 V      HART® COMM DETECTED</p>	<p><b>Interface</b>      Load Cells / Torque</p>	<p><b>GTG</b>      VIBRATION ANALYSIS HARDWARE</p>
